Agreed, but I can't do 2 – can we start at 2:30? Y'all can come up to my office.

While not final, I think this is worth us digging into. I would like to meet at 2pm and go through it together. I would also like to get feedback on the draft letter. Thanks

Mike,

Attached is the revised UIC Program Review Plan. If we make modifications based on the Governor's Office review, I will send a revised version later today.

Steve,

Can you please call me as soon as you are available in the morning on Wednesday. I am available all morning and can be reached at my desk or on my cell phone 415-971-9030. Unless I am mistaken, DOGGR has clearly missed this revised deadline.

Thanks

Mike

Mike,

Many thanks for moving the meeting and for speaking with me yesterday. We will be ready for the meeting on the 24th. As promised, I will forward the DOGGER plan to you asap, I expect no later than COB Tuesday (11/18).

I understand patience is thin.

Thanks.

Steve

Hi Steve –

I conferred with folks and the 24th works for us to re-schedule our Monday meeting. It would be ideal if we could still have it in SF and start in the am (10am works) as originally planned. Thanks

Mike
